

Stowe Creek Connection

SPECIAL POINTS OF INTEREST:

- The Speed Humps on Centerline Dr. are scheduled for installation late August - early September.
- Our Annual Meeting will be taking place at the beginning of December. Watch your mailbox for details in the coming months.

Fall is right around the corner. What autumn ritual are you anticipating the most?

Notes From The Board

One Good Turn.....

It is only fair that each of us takes a turn helping to manage our collective affairs at Stowe Creek. Maintaining our high standards takes time and talent - and each of us must, periodically, make commitments to our community.

If you have not participated on a committee or on our Board, thank you for taking the time now to make your commitment. Please be assured you will have a good time. We do manage to enjoy ourselves at committee meetings and at Board meetings, which are often followed by refreshments and conversation with neighbors.

We have opportunities to serve as follows.....

- **Board of Directors**
These are elected positions. The election is held at our annual meeting in December. Board members provide the

overall governance of our homeowners association.

- **Pool Committee**
Plan, organize and oversee use of our pool facilities.
- **Social Committee**
Plan, organize and deliver four

We Need YOUR Help!

social events a year.

- **Architectural Review Committee (ARC)**
Reviews applications for significant changes to resident's property.

- **Neighborhood Watch**
Work with a group of residents to report safety situations and criminal activity to the community and the police.
- **Communications Committee**
Produces and delivers newsletters periodically throughout the year.
- **Adjudicatory Council**
Works with residents to help them comply with our HOA rules and regulations.
- **Landscape Committee**
Liaison with our landscape contractor to ensure the common areas are properly maintained year around. Also, responsible for the Yard of the Month program.

If you would like to help, please e-mail RitaBarrett at rbarrett@kuester.com. We look forward to your participation in making this community the best it can be!

New Consolidated Bus Stops for Magnet Schools

Charlotte-Mecklenburg Schools (CMS) have voted to cut the transportation for next year and have created consolidated bus stops or shuttle stops to centralize bus stops and to reduce ride time to and from school. Currently, the schools affected are the 4 full magnet high schools - Harding, Philip O'Berry, Northwest and Marie G. Davis school. Also affected are 7 full magnet middle schools - Collinswood, Morehead, Oaklawn, Smith, Piedmont, Davidson IB and Randolph.

Additional information, about consoli-

dated stops, may be obtained by contacting your school's Routing Technician at (980) 343-6715 or visit

<http://www.cms.k12.nc.us>.

Stowe Creek parents have expressed an interest in creating a car pool to shuttle kids back and forth from the designated shuttle stops. If you are interested in participating in a car-pool, please contact Nina Gonzalez at ninamgonzalez@yahoo.com.
